Citation
to accompany the award of the
Joint Meritorious Unit Award
to the
Joint Task Force Six

Joint Task Force Six distinguished itself by exceptionally meritorious service from 1 January 1993 to 31 December 1999. During this period, Joint Task Force Six planned, coordinated and controlled over 4000 diverse and challenging multi-Service, multi-agency counterdrug missions. The conduct of these missions benefited units in the field by providing real-world, mission-essential training opportunities. Joint Task Force Six provided and synchronized much needed DOD support from all four branches of the United States Armed Forces to domestic law enforcement agencies throughout the continental United States. The assistance of Joint Task Force Six enabled these agencies to be more effective in their campaign against the flow of illegal drugs into the United States. In this complex and continually evolving undertaking, Joint Task Force Six skillfully established the framework by which all military assets available in the DOD "Total Force" can maximize their efforts toward supporting the President's National Drug Control Strategy; thus, reaffirming the commitment of "Service to the Nation," now, and in the years ahead. By their exemplary performance of duty, the members of Joint Task Force Six have brought great credit upon themselves, their Service, and the Department of Defense.

Given under my hand this 4th day of August 2000

Chairman of the Joint Chiefs of Staff
